

MEAL Daily Workers (Aleppo, Idleb, Hama)

The position is to be filled by Sep1, 2026, with a contract duration of one month. There are good prospects for an extension. Employment/Service location will be Aleppo, Idleb, Hama/Syria.

Your Responsibilities

1. Support data collection activities for the multisectoral needs assessment in Aleppo, Hama, and Idleb.
2. Conduct field visits to gather data through surveys, interviews, and observations.
3. Ensure accurate documentation of collected data and submit daily reports, feedback, and observations to the MEAL Officer.
4. Coordinate and work closely with WHH assessment teams, local authorities, and community representatives to ensure smooth implementation of data collection activities.
5. Ensure data quality, completeness, and confidentiality during all stages of the assessment.
6. Use digital data collection tools such as CommCare and MS Office applications to record and manage information.
7. Report any challenges, risks, or security concerns affecting fieldwork through appropriate communication channels such as WhatsApp, email, or direct calls.
8. Support verification and validation of collected data as requested by the MEAL Officer.
9. Contribute to identifying key needs and priorities across sectors affecting affected communities, with particular attention to vulnerable groups.
- 10.** Perform any other duties assigned by the MEAL Officer to support the assessment process.

Required Qualifications:

Position open to Syrian nationals only and will be based in Damascus or Aleppo office.

- A bachelor's or high school diploma in a relevant field from a recognized education entity, information technology is preferable.
- Minimum 1 year of experience of work in emergency or development context projects
- Working on digital collecting data tools “Commcare”.
- Previous work experience with WHH.

Desired

- Experience working in insecure and remote locations.
- Working with INGO or UN agencies
- Experience Conducting KII and FGDs
- English language, both spoken and written.

How To Apply :

- Please send your application/CV in ENGLISH LANGUAGE via our online recruiting system by August 26, 2026
- CVs will be reviewed on a rolling basis due to the urgency of filling this position.
- We encourage female candidates to apply
