

DEADLINE: 30 December 2025

TYPE OF CONTRACT: External Service Supplier /Provider

BASED: Aleppo

ABOUT PUI IN SYRIA

The current operational strategy for Premiere Urgence Internationale (PUI) in Syria is to alleviate the human suffering of the Syrian people in Syria by delivering sound, needs-based humanitarian assistance, while promoting a life-sustaining response. PUI's positioning on, shelter, education, livelihoods, and WaSH sectors remain a priority.

Based on ten years of experience conducting humanitarian operations in Syria, supporting Iraqi refugees and lately Syrians affected by the crisis, PUI has played an important role in responding to the needs of the population within nine governorates (Aleppo, Damascus, Rural Damascus, Homs, Hama, Tartous, Latakia & Deraa) and through the following interventions:

- Rehabilitation of collective and private shelters
- Rehabilitation of infrastructure
- Emergency and Early Recovery WASH interventions
- Education support for conflict-affected populations (remedial classes, school rehabilitation, free exam preparations, summer class activities, community based initiatives and psycho social support),
- Enhancement of the Population of Syria self-reliance through livelihoods (vocational training course, provision of a professional tool kit ((PTK))
