

## **Life-Skills Trainer/Activity Facilitator (Part-time, Mobile, Temporary)** **based in Hamah**

**Minimum Education Level:** High school Diploma is required; Bachelor/ License Degree is preferred.

### **Responsibilities:**

NRC is looking to identify suitable candidates for supporting its Education Programme and who have expertise in minimum one of the following fields:

### **Life-Skills Trainer/Activity Facilitator:**

- Contribute to the implementation of NRC's Education Programme by conducting field workshops / training activities to the targeted groups (children or youth) in the selected areas / locations.
- Participate in the preparation of the required equipment and materials for workshops and ensure their readiness.
- Participate in organizing the location, invite and encourage individuals to participate, and classifying the participants (children or youth) before starting the workshop.
- Provide feedback to the direct line of authority after each assignment and prepare reports as requested.
- Support the identification and understanding of education, training, and PSS needs in current or new operation areas.
- Attend and participate in required NRC-facilitated training, update / reporting meetings.
- Contribute to the registration of participants' data and counting the total number of participants.
- Maintain a strong relationship with the participants and foster them to participate in the coming events by creating a friendly and welcoming learning space for participants.
- Promote and share ideas for technical improvement.

**Note: This is a temporary, field based, and part-time position, at times with short-notice assignments.**

### **Qualifications**

1. High school Diploma is required; Bachelor/ License Degree is preferred.
2. Previous experience of working in facilitating educational, Psychosocial Support, recreational activities/trainings with children/youth outside schools or teaching in schools.
3. Previous experience in facilitating life skills training for Children/Youth
4. Experience of working in a humanitarian/recovery context or equivalent is a plus.

### **Specific Vacancy Requirements:**

- 1. Value driven competencies:

Dedicated, Innovated, Inclusive, Accountable.

- 2. Behavioural competencies:

- Ability to communicate effectively, initiate and build trustful relations.
- Good inter-personal skills. Contextual and cultural sensitiveness.
- Ability to work autonomously. Proactivity and capacity to take initiative.
- High motivation and desire to help.
- Empowering and building trust.
- Attention to detail combined with the ability to work quickly to meet deadlines
- Ability to work under pressure.

**Salary & Benefits:** As per NRC rules & regulations.
