
NRC in Syria

NRC is in Syria to support people affected by forced displacement (IDPs, returnees, host community etc.) so that they can have access to timely and effective assistance, to cope with the crisis and when the crisis ends return and rebuild their lives. Since the start of its activities in mid-2016 in Syria, NRC has reached with humanitarian assistance to more than 600,000 people particularly in the Governorates of Damascus, Aleppo, Qoneitra, Dara'a, Hama, Hassake and Rif Damascus, out of which more than 152,000 people reached in 2020 with the provision of more than 255,000 services and moving forward to reach more during 2021.

NRC will continue to apply an integrated programming approach, where Education, capacity building, Shelter/WASH, and Food Security and Livelihoods (FSL) programmes work jointly to enable displacement-affected populations to meet their basic needs, enjoy their rights, and benefit from pathways to durable solutions.

Role Generic Responsibilities

In the strategic period 2022-2025, NRC will continue consolidating and expanding its access in Syria to support protection and resilience of displacement affected populations through inspiring advocacy and an efficient response, anchored on evidence-based decision-making, partnership with national responders and community-driven processes. NRC will rely on highly competent and committed staff who embraces NRC core values, protection policies and code of conduct, and a fit-for-purpose organisational structure to meet the strategic objectives. The Shelter & WASH Project Manager contributes to achieving the NRC Syria Shelter and WASH strategic objectives.

1. Role and responsibilities

Generic responsibilities:

Generic responsibilities:

1. Line management of Shelter & WASH project staff in the Area Office.
2. Adherence to NRC policies, guidance and procedures, and NRC global and regional strategies.
3. Contribute to the Country, Area, and Shelter and WASH strategies development, project proposals and provide input on needs and gaps, and consider where appropriate, the role of cash- and market-based interventions.
4. Coordinate and manage Shelter and WASH project implementation (needs assessments, activities, budget and project documentation) in line with proposals, strategies and donor requirements.
5. Implement technical direction and ensure high technical quality of projects.
6. Provide regular progress reports to the Area Manager and the Shelter/WASH Specialist.
7. Ensure that projects target beneficiaries most in need of protection, explore and assess new and better ways to assist.
8. Develop and manage project budget and coordinate across other Core Competencies/units.
9. Ensure capacity building of project staff and transfer key skills through mentoring and on the job training/learning.
10. Liaise and collaborate with relevant local authorities and other key stakeholders.
11. Promote the rights of IDPs/returnees in line with the advocacy strategy.
12. Ensure NRC's related activities are implemented in accordance with NRC Safe and Inclusive Programming (SIP) guidelines, policies, and Syria-specific explanatory notes. Report any breaches/concerns, in a confidential manner, through NRC SCO reporting channels.
13. Promote and secure a safe working environment for reporting concerns/breaches, and that all cases reported are processed in a confidential and sensitive manner.
