
NRC in Syria

NRC is in Syria to support people affected by forced displacement (IDPs, returnees, host community etc.) so that they can have access to timely and effective assistance, to cope with the crisis and when the crisis ends return and rebuild their lives. Since the start of its activities in mid-2016 in Syria, NRC has reached with humanitarian assistance to more than 600,000 people particularly in the Governorates of Damascus, Aleppo, Qoneitra, Dara'a, Hama, Hassake and Rif Damascus, out of which more than 152,000 people reached in 2020 with the provision of more than 255,000 services and moving forward to reach more during 2021.

NRC will continue to apply an integrated programming approach, where Education, capacity building, Shelter/WASH, and Food Security and Livelihoods (FSL) programmes work jointly to enable displacement-affected populations to meet their basic needs, enjoy their rights, and benefit from pathways to durable solutions.
