## **NRC in Syria**

NRC is in Syria to support people affected by forced displacement (IDPs, returnees, host community etc.) so that they can have access to timely and effective assistance, to cope with the crisis and when the crisis ends return and rebuild their lives. Since the start of its activities in mid-2016 in Syria, NRC has reached with humanitarian assistance more than 360,000 people, out of which more than 150,000 reached in 2018 alone in the Governorates of Damascus, Aleppo and Rif Damascus.

NRC will continue to apply an integrated programming approach, where Education, capacity building, Shelter/WASH, and Food Security and Livelihoods (FSL) programmes work jointly to enable displacement-affected populations to meet their basic needs, enjoy their rights, and benefit from pathways to durable solutions.

## **Role Specific Information**

- Work closely in conjunction with the Country Director, Officers in the field and Middle East Regional Office to ensure safety and access are duly factored into programmatic as well as operational planning, decision-making and implementation.
- Develop and maintain updated protocols for staff movement and operations inside Syria (including hibernation plans; Proof of Life procedures; Fire Safety Plans; critical incident management protocol; etc.).
- Support program staff to manage their own and their staff's safety & security by carrying out sound risk assessment relevant to the programs they implement.
- Facilitate information management and dissemination among others through weekly context updates as well as ad-hoc advisories and notices.
- Provide quantitative and qualitative data to program and support staff regularly and upon request.
- Liaise with other research, analysis, and professionals insofar as is necessary to support contextual analysis and risk management advice.
- Ensure full compliance with all aspects of NRC Global and Syria-specific security and Duty of Care policies, protocols and guidelines.
- Regular reporting to NRC Regional office and provision of qualitative and quantitative inputs and ad-hoc assigned tasks

## **Our Ideal Candidate**

- Minimum 5 years of experience from working as a senior Security or Risk Adviser in a humanitarian/recovery context or in a hostile environment
- Previous experience from working in complex and volatile contexts
- Documented results related to the position's responsibilities
- Knowledge about own leadership skills/profile
- Fluency in English and Arabic, both written and verbal
- Knowledge of the context in the Middle East

## **Additional Information**

Contract period: Up to one year, renewable based on NRC fund and performance.

Salary/benefits: According to NRC's salary scale and terms and conditions

Duty station: Damascus
